

Corporate Day

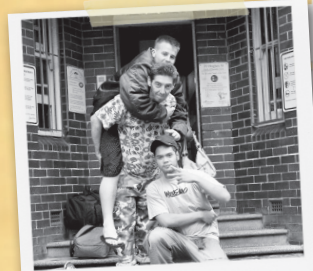

The Wayside Chapel has been at the forefront of social justice for over 40 years, providing non-judgemental support for all people in the community. Wayside operates services including a community services centre, Wayside Youth and outreach street walks, a cafe, an op shop and a structured activities program.

The Corporate Day considers three of the main issues that face many of those who come to Wayside; homelessness, mental health and drug and alcohol abuse. The day positions Wayside in both the broader community of Kings Cross and the surrounding services.

Coming to Wayside offers a distinct team building opportunity. Groups gain a different perspective of people they may pass everyday in the street.

For more information on our corporate day program or to book your day please email us at corporateday@thewaysidechapel.com or visit www.thewaysidechapel.com

We have places for up to 10 participants for each session. The suggested amount for the day is \$950.

PROGRAM

MORNING SESSIONS (10:00am - 1:00pm)

- Introduction to The Wayside Chapel
- The Wayside programs
- Discussion of current issues:
 - Homelessness
 - Mental health issues
